Another Moose Riders Picnic has come and gone. There were a few challenges but in the end it turned out to be a great day. The winning First Place Team was Salem Prime Cuts, Second Place was Sterling Superiors 4 Steaming Gals, Third Place was The Norwich Fish and Game. Thanks to all that turned out to help and to those that participated. Fortunately the weather cleared up just in time and the sun was bright and hot. Excellent food was donated, and Misguided was a great band, and plenty of raffles made a great day.

Bozrah 950 is getting the Moose Legion going again at our Lodge. There are applications in the Social Quarters. Please check to see if you qualify and then sign up. The Moose Legion is a Higher Degree of service.

There is a big push this year for Moose to acknowledge our members that are veterans. Their dues card will recognize them as a veteran and lodges are to start doing more to recognize and help our veterans where ever it is needed. If anyone has any ideas please let Bill Duerrler know so we can start working on this as soon as possible.

The WOTM received the Top Sponsor Award for the 2015/16 year at the convention in Cromwell. Congratulations to Patti Duerrler for making it into the 25 Club after sponsoring 25 new members. She was given a certificate to be framed and a charm with the 25 Club insignia. The WOTM also received a Community Service Award as well as a certificate from Moose Charities. We won First Place and are listed at the Protector level.

HAVE YOU VOLUNTEERED AT THE LODGE LATELY?

We are always looking for volunteers. Cook? Carpentry? Yard Work? Helping with events in the hall? Maybe you can even have an idea for a great event that we can put on!

Red Light Band played outside under the pavilion on August 26th. It was a huge success for the Lodge and they agreed to come back next year in June. We will also be hosting the band called Branded for an evening of country music. I hear they are very good.

If you have been to the Lodge you may have noticed that the work has been started on the Memorial wall. Thanks to Fred Potter and his committee. Looking forward to seeing it completed.

The Rich Jursz Golf Tournament was held on September 18th. When they came back to the Lodge it sure sounded like they had a good time. There were a few first time players that did really great.

We have Keno coming to the Moose! The proper wiring has been installed and then the State will come hook everything up.
