**William C. Duerrler
Governor**

Message from the Governor:

Over the past 4 months we have made a lot of progress moving in the direction of success. However, in the Social Quarters there are still some issues to be addressed. Still working on some decorum issues. For those that have helped with the reverse process toward green I thank you. We need to be mindful of the fact that this is not a bar but a social Quarters for a fraternity.

Looking ahead we have some good things we are working on. This Friday evening, we have Red Light band coming. They will be playing from 8pm till midnight. There will be hot dogs, hamburgers and clam fritters for food, at a low price. Bar will be open. **(NOTE: absolutely no glass will be permitted outside at any time. Everything has to be plastic or can.)** \$5.00 cover charge for non-Moose Members. Moose members, if you show your card, admission is free. Due to the possible number of people that may be present we are posting signs on all doors leading into the social quarters which will read Members Only. There will be an officer of the day inside the building if there are any questions. We are not expecting any issues but are having assistance from New London Motorcycle Club which is a 501-C3 organization to handle parking and security. All attendees will be stamped at the gate for entry. Let's all have a good time.

We are also having Keno put into the social quarters along with regular state lottery. Within the next two weeks a State Lottery representative will be down for a meeting and to file the paperwork necessary for them to start installation process. We are working out the logistics for the operation.

You should begin to see soon some progress on the memorial wall and flag pole project construction.

We are obtaining and installing electrical plug bars under the ledge of the bar for members to charge their electronic devices.

On a negative note: It had to be voted and accepted that no pets are allowed in the social quarters and hall during operational hours. This is the result of three incidents which occurred within the last two weeks. For now, only service animals will be allowed in the quarters.

On behalf of our board and I, we want to wish all a relaxing, drama free environment for our members in our lodge. Best wishes....

William C. Duerrler Governor

Date to Note:

On Thursday October 20th we will be visited by Supreme Governor Franz “Fritz” Griswold. We will plan a dinner in his honor and will be presenting Tommy Moose plush toys to Fire, Police Depts. from around the area. Within the coming week I will be sending invite letters to Norwich Police, State Police Troop E and K, Yantic Fire Dept., Bozrah Fire Dept., East Great Plains Fire Dept., Norwich Fire Dept., and the Norwich Bulletin ... Bill
